Coronavirus notice 24th March 2020

DTP Supplies are a key supplier to companies manufacturing critical equipment to the emergency services. Therefore, we have been requested to continue operating to support the supply chain so that all required Personal Protective Equipment can continue to be supplied to those who most need it at this time of crisis.

We have adjusted our staffing levels to ensure that we are operating with minimum safe number of staff possible. All staff are observing high levels of hygiene as per official advice.

We will continue to monitor the situation as it unfolds.

Further updates will be posted on our website homepage.

We sincerely hope you stay safe and well during this unprecedented time of national concern.

The Partners and employees of DTP Supplies
